Abstract Submission Instructions

Abstract submissions are accepted only electronically by using the online submission system. The abstract submission will close on **April 27, 2026**.

[**Submit your abstract here**](#)

Each author can **submit a maximum of three abstracts in total (research abstract or case report).**

Accepted contributions will be presented either as oral or poster presentations, according to the final decision by the Scientific Committee. Acceptance of the abstract is subject to acceptance by the Scientific Committee, and the Committee has all rights to accept or reject the abstract. The acceptance letters will be sent by **June 15, 2026** (subject to changes).

All accepted abstracts will be published at the conference, subject to the author registering as a paid delegate. The accepted abstracts will be published as typed by the author, including any errors in grammar, spelling or scientific facts.

If you have any questions about the submission process, please contact the congress secretariat directly at EUBS 2026 Abstracts **eubs2026abstracts@kit-group.org**

Instructions for Abstract Submission

Language
All abstracts must be written in English.

Title
The title should be typed in Sentence case and should not exceed 15 words. Do NOT type the full title in capital letters.
The title should be specific, descriptive, and avoid using abbreviations unless they are widely known. It should clearly indicate the main topic and, if possible, the results or unique aspect of the study.

Presentation type
Select the preferred presentation type; oral or poster, or either one. The selection is only your preference, and the Scientific Committee has the right to change it.

Theme

Select a suitable theme for your research abstract or case report:

1. Diving medicine
2. Hyperbaric medicine
3. Freediving
4. Miscellaneous

Authors and Affiliations

Please fill in the author details as requested on the form. Kindly mark only **one author as the presenter**. The first author's name should be the name of the presenter.

Body of the abstract

The maximum size of the **abstract is 350 words**. The 350-word limit does not include the title or author details of the abstract; the limit is for the actual text of the abstract.
The body of the abstract should be structured as follows:

> For Research Abstracts

• Introduction
• Methods
• Results
• Conclusions

> For Case Reports

• Case description
• Conclusion

One table or graph may be included (jpeg. or gif. format).

Terms and conditions

In submitting an abstract all presenters agree to the following terms and conditions:

1- I confirm that each author / presenter listed agree with the content of this abstract and has given permission to be listed as an author / presenter.
2- I have checked the accuracy of the information and referencing within this abstract.
3- I understand that should my abstract be accepted for presentation, I am required to complete a conference registration. I understand that my abstract will not be published until my registration and full payment has been received.
4- I hereby provide permission for the Organisers and Committee of the Conference to

publish my abstract in the Conference proceedings.

5- I understand that my abstract will be published, if accepted, as submitted and that no editing to grammar or spelling will be undertaken by the Organizing Committee.
